HP LaserJet P2055dn Printer

A compact, high-performance laser printer with built-in gigabit networking and management tools.

Increase productivity for up to eight users with quick and reliable gigabit networking, fast print speeds, simplified management, advanced security features and resource-conserving print options.

Give your workgroup the power to get more done. This compact laser printer packs fast print and processing speeds, and built-in high-speed connectivity, with automatic two-sided printing and optional high-volume paper tray.[1]

This laser printer is designed to be easy from setup to management. Features like the all-in-one print cartridge, LCD control panel, built-in gigabit networking and printer management software make this one productive machine for a fleet of users.

Save valuable desktop space without compromising quality. Get professional-looking documents with crisp text and sharp images using Original HP Print Cartridges specially designed for this compact printer.

Compatible Operating Systems
